```
ANGELS AMONG US - Demi Lavato
Intro: G - C
I was walking home from school
on a cold winter day,
                           Εm
took a shortcut through the woods
and I lost my way,
   It was getting late
   Em
and I was scared and along,
Then a precious baby boy
took my hand and lead me home
Now momma couldn't see him,
oh but he was standing there,
and I knew in my heart
he was the answers to my prayers
[Chorus]
        G Em
     Oh, I believe there are angels among us,
                Em
                     С
     Sent down to us from somewhere up above.
                 G
     They come to you, and me
     in our darkest hours,
     to show us how to live,
     to teach us how to give.
                                 D
     To guide us with the light of love.
Intro: G - C
When life held trouble times
and had me down on my knees
there has always been someone
to come along and comfort me
```

```
a kind word from a stranger
to lend a helping hand
a phone call from a friend
        С
just to say I understand
But ain't it kinda funny
   С
at the dark end of the road
that someone lights a way
with just a single ray of hope
[Chorus]
                             \boldsymbol{C}
     Oh, I believe there are angels among us,
                 Em C
     Sent down to us from somewhere up above.
                 G
     They come to you, and me
     in our darkest hours,
     to show us how to live,
     to teach us how to give.
                                D G
     To guide us with the light of love.
 Am
There were so many faces
that show up in the strangest places
that grace us with their mercy
  D D E7 E
in our time of ne-eee-eeed (pause)
     Oh, I believe there are angels among us,
                     С
                 Em
     Sent down to us from somewhere up above.
     They come to you, and me
     in our darkest hours,
        \boldsymbol{C}
     to show us how to live,
     to teach us how to give.
                                D(pause) G G C C G G C C
                          D
     To guide us with the light of
                                       love
                                                      love.
```
