

# Song for a Winter's Night

Sarah Mclachlan Gordon Lightfoot

Eb F Eb F

F C Dm Bb F C F

The lamp is burnin' low upon my table top, the snow is softly falling

F C Dm Bb F C F

The air is still in the silence of my room, I hear your voice softly calling

F C Bb C Am Dm Bb C

If I could only have you near, to breathe a sigh or two

F C Dm Bb

I would be happy just to hold the hands I love

F C F! (F F X2)

On this winter's night with you (doo doo doot doo doot doo doo; doo doo doot doo doo)

F C Dm Bb F C F

The smoke is rising in the shadows overhead, my glass is almost empty

F C Dm Bb F C F

I read again between the lines upon each page, the words of love you send me

F C Bb C Am Dm Bb C

If I could know within my heart that you were lonely too

F C Dm Bb

I would be happy just to hold the hands I love

F C F! (F F X2)

On this winter's night with you (doo doo doot doo doot doo doo; doo doo doot doo doo)

F C Dm Bb F C F

The fire is dying now my lamp is growing dim, the shades of night are lifting

F C Dm Bb F C F

The mornin' light steals across my window pane where webs of snow are drifting

F C Bb C Am Dm Bb C

If I could only have you near to breathe a sigh or two

F C Dm Bb

I would be happy just to hold the hands I love

F C F Dm

On this winter's night with you,

F C F! (F F X2) F!

And to be once again with you (doo doo doot doo doot doo doo; doo doo doot doo doo)
